ABOUT AIS GROUP

Founded on a dream to enlighten young minds, **Raunaq Education Foundation (REF)** carries forward the visionary legacy of **Late Shri Raunaq Singh**, who believed that education is the most powerful force for building a better tomorrow.

For over **five decades**, REF has been transforming lives through its prestigious network of **Apollo International Schools & Raunaq Public School** inspiring thousands of students to discover their potential and turn aspirations into achievements. REF stands tall as a trusted name in quality education.

Our campuses are vibrant centres of learning—designed with world-class infrastructure, smart classrooms, robotics-driven steam learning, sports excellence, and technology-enabled teaching. Every element is thoughtfully crafted to spark curiosity, creativity, and confidence.

At Apollo International School, our guiding mantra, **“Aspire and Actualise,”** reflects our promise to empower learners with values, vision, and skills—preparing them not just for success, but for life.

WELCOME MESSAGE

GO AHEAD

BE BRAVE.

TELL YOUR STORY

THE ONE THAT NO ONE

ELSE CAN TELL

EDUCATION FOR LIFE

From the very first day at **Apollo International School**, your child is guided, inspired, and nurtured by a dedicated team of teachers, sports coaches, and expert trainers. Every experience at Apollo is designed to build skills that last a lifetime.

We focus on developing a **strong mind and confident character**—encouraging leadership, responsibility, decision making, and being a positive role model. Students are motivated to aim high, yet equally prepared to accept challenges, learn from setbacks, and return stronger with resilience and confidence.

At Apollo, every child is valued and supported to **learn and grow at their own pace**. We go beyond textbooks, examinations, and marks to prepare students for **real-life challenges and opportunities**—equipping them with the skills, values, and mindset needed for success in life

THE FUTURE
OF THE WORLD IS IN MY
CLASSROOM TODAY

MISSION

Our mission is to empower our students (the future citizens of the nation) from all walks of life to be:

- Global citizens with traits of Leadership, Communication Skills, Social and Ethical responsibility, Empathy and Love for nation.
- To empower students to acquire, demonstrate, articulate, academic excellence values, knowledge and skills that will support them, as life-long learners and contribute to the global world and practice the core values of the school:- Aspire and Actualise

VISION

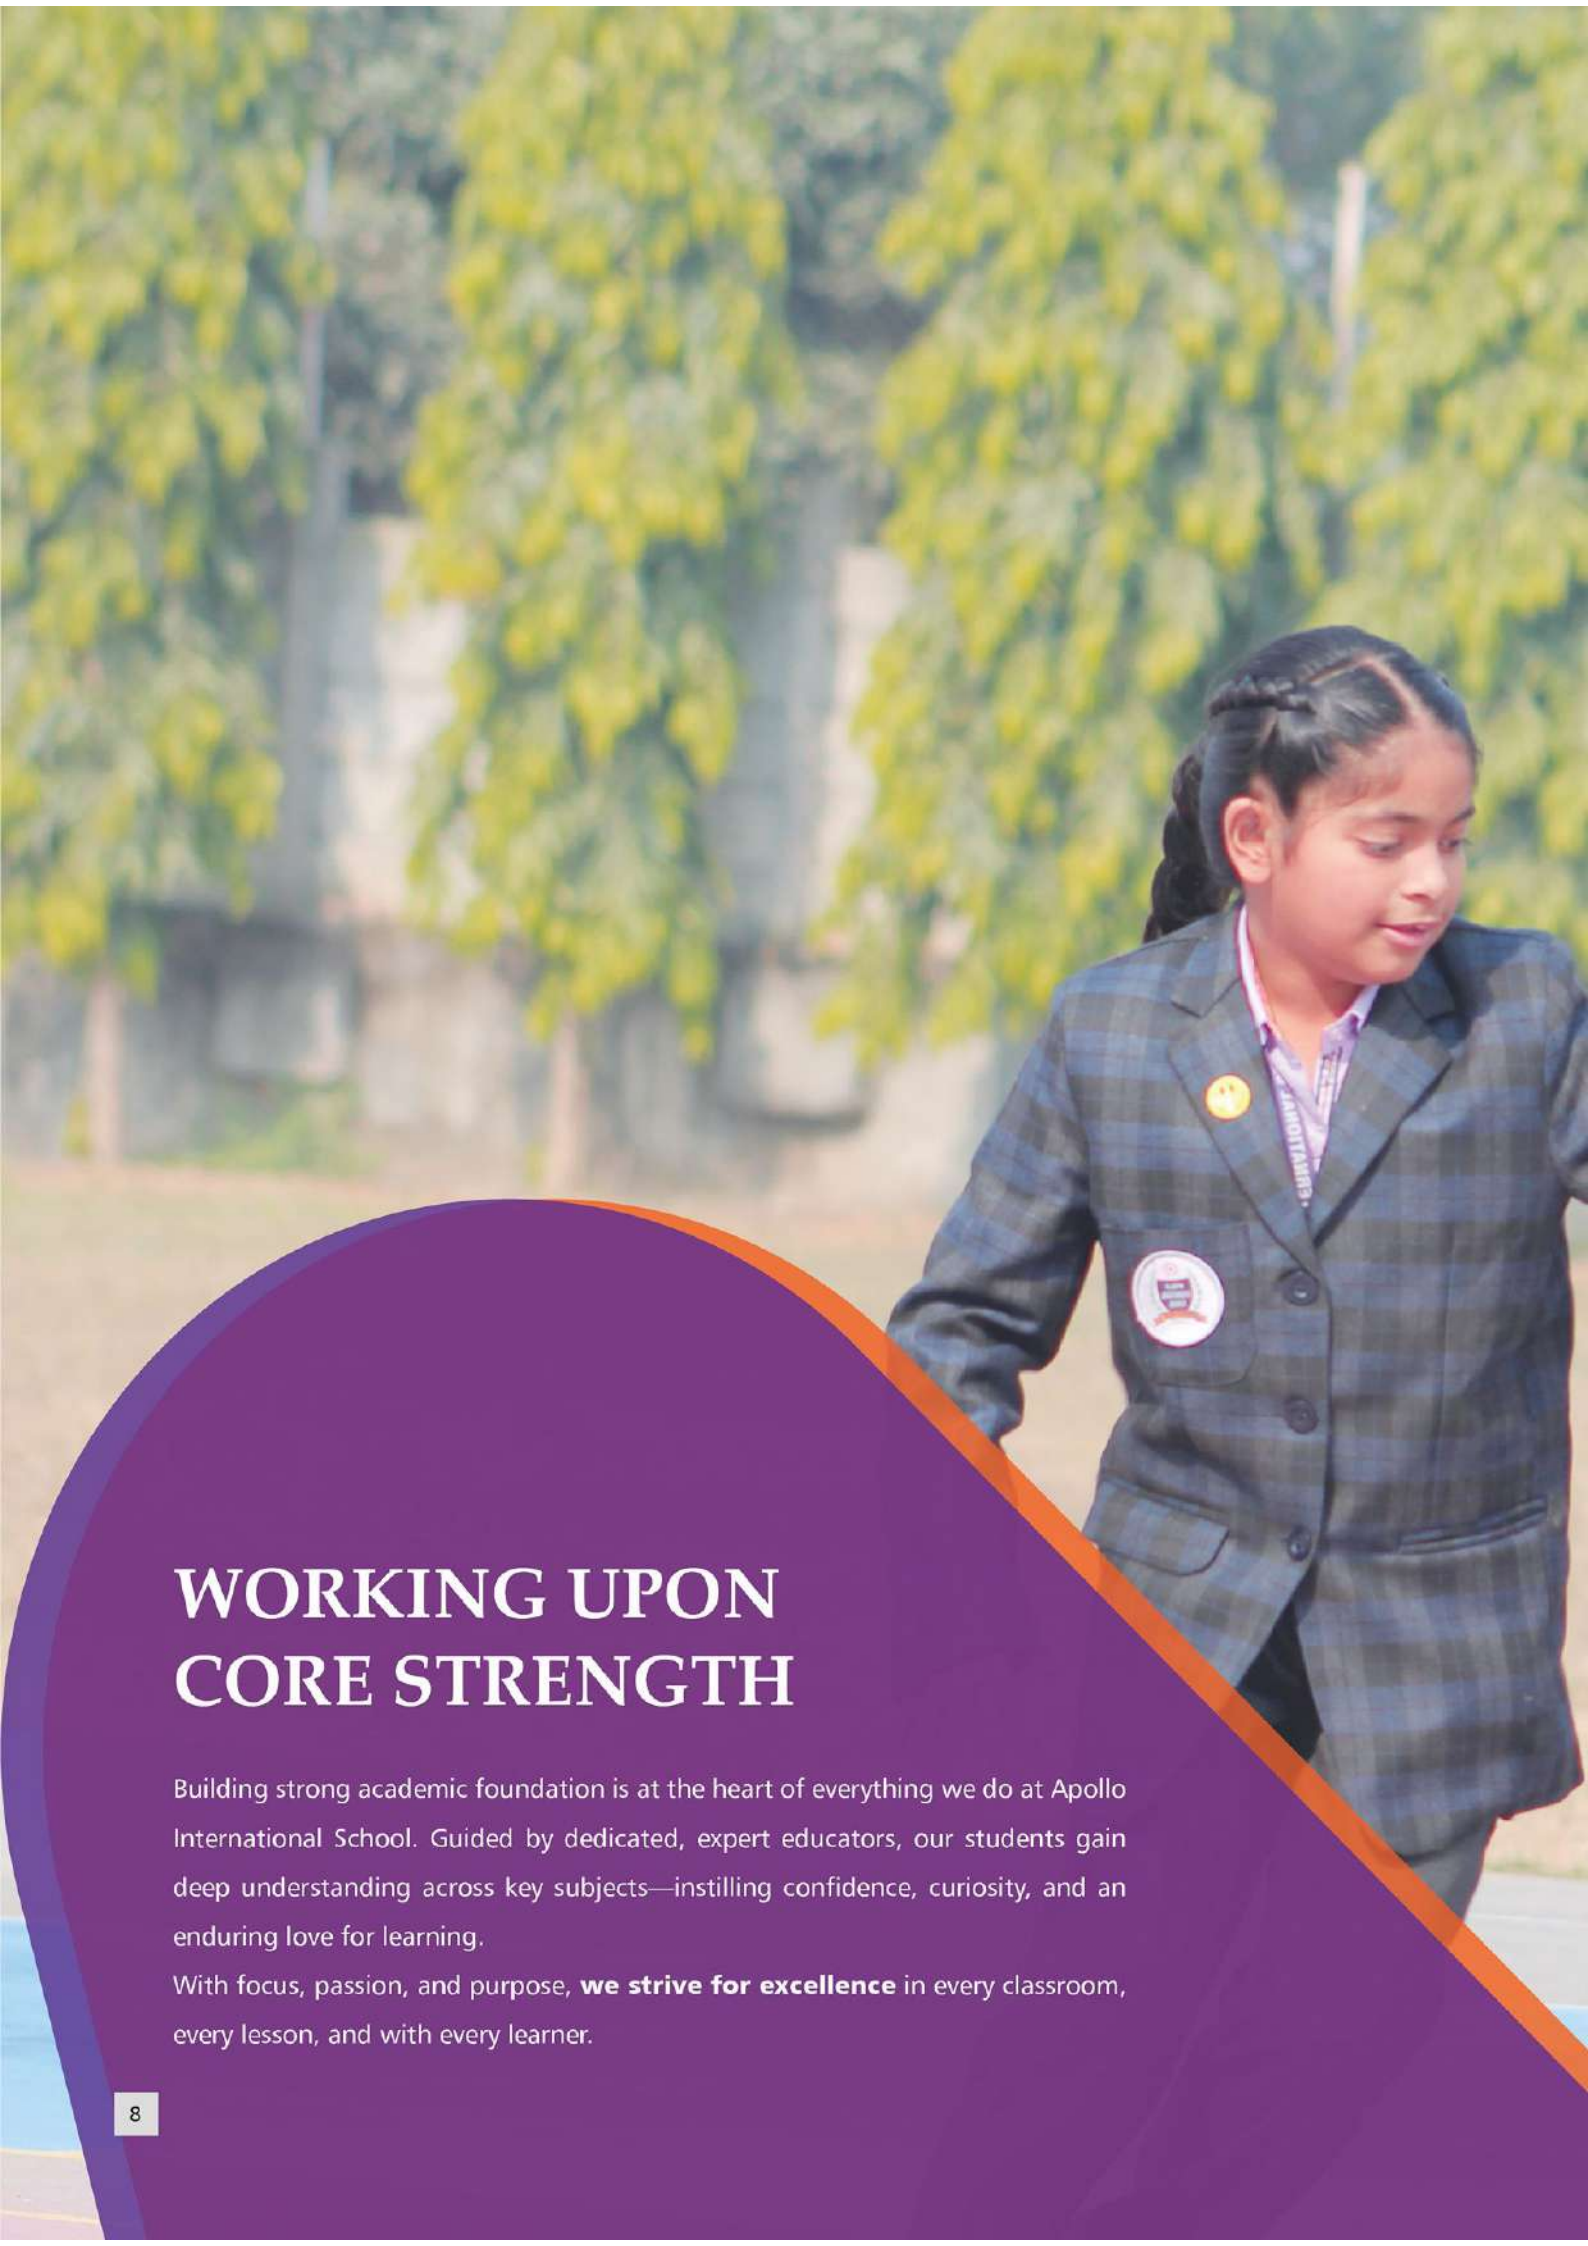

Our vision is to be a premier school of education recognized for its diversity and known for its excellence in academics, and innovative learning with technology.

THE ELATED MINDS TO UNWRAP

From the reception of students to all the way through their journey to school, they are provided with a secure and supportive environment to discover the best in themselves. The thrill to discover is in every child, they just need an impacting, influencing and encouraging environment which is all the way provided by Apollo. Other than the bookish knowledge our curriculum is embedded to infuse the core values like Honesty, Integrity, Responsibility, Respect and Commitment.

WORKING UPON CORE STRENGTH

Building strong academic foundation is at the heart of everything we do at Apollo International School. Guided by dedicated, expert educators, our students gain deep understanding across key subjects—instilling confidence, curiosity, and an enduring love for learning.

With focus, passion, and purpose, **we strive for excellence** in every classroom, every lesson, and with every learner.

LOVE, CARE & SUPPORT

Every parent wants their child to feel happy, healthy, and safe at school—and at Apollo International School, we share that promise with you.

Our teachers are not only highly qualified but also deeply caring. Each child is treated with love, patience, and respect, creating an environment where students feel comfortable, confident, and valued. From the morning assembly to the classrooms, children are gently guided, encouraged, and supported at every step.

The school environment is safe, secure, and welcoming. We take great care to ensure that your child's emotional well-being is just as important as academic success.

At Apollo, children are encouraged to explore, take healthy risks, and learn from both success and setbacks. Through care and guidance, they build confidence, resilience, and self-belief qualities that help them face challenges, adapt to change, and succeed in today's ever changing world.

Here, your child is not just educated—he is understood, supported, and nurtured every day.

FACILITIES

SMART CLASS

Each classroom is equipped with interactive boards and high-quality projectors, enabling teachers to use videos, animations, and digital presentations to simplify concepts and encourage active participation. All digital modules are aligned with the curriculum, ensuring technology meaningfully supporting academic learning.

LIBRARY

“Today a Reader, Tomorrow a Leader”

The library of AIS is a vibrant learning space that nurtures curiosity, imagination, and a love for reading. It offers a rich, age-appropriate collection of reference books, encyclopedias, science and astronomy titles, novels, storybooks, comics, puzzle books, and general knowledge resources to support both academic and independent reading.

Equipped with **digital books and online learning** resources, the AIS library blends traditional reading with modern technology—encouraging critical thinking, exploration, and confidence to lifelong learners.

ROBOTICS LAB

The Robotics facility at our school introduces students to the exciting world of robotics, coding, and AI. Through practical, activity-based learning, students build problem-solving skills and gain early exposure to future-ready technologies.

DANCE STUDIO

The Dance Studio at AIS nurtures holistic development through movement and expression. Equipped with mirrored walls, ample practice space, professional music systems, and safe flooring, it helps students to build confidence, coordination, fitness, discipline, and cultural awareness in an engaging, supportive environment.

CREATIVE ART STUDIO

The Art & Craft Studio is a vibrant creative space where children explore, express, and enhance their artistic skills. Designed to nurture creativity beyond the classroom and encourage students to channel their imagination in meaningful ways.

Through hands-on activities, students develop fine motor skills, confidence, creativity, and joyful learning experiences—making education holistic and enriching. The freedom to experiment with colours, shapes, and ideas, help children express their thoughts and emotions while fostering originality and self expression.

LABS: EXPERIENTIAL LEARNING

Our well-equipped **Science Laboratories** provide students with hands-on, experiential learning beyond classrooms. Dedicated labs for **Physics, Chemistry & Biology** enable students to explore concepts through observation, experimentation, and discovery.

Modern equipment, safety measures, and guided supervision help students develop **scientific thinking, analytical skills, and curiosity**. Practical learning strengthens understanding, builds confidence, and inspires students to apply classroom knowledge to real-world situations.

TRANSPORTATION

Safety and punctuality come first. Our fleet of well-designed school buses ensures a secure and comfortable to & fro journey for students.

Each bus is accompanied by a trained female attendant for student safety and hygiene. For added security, all buses are equipped with CCTV cameras, GPS tracking, speed controllers, and First Aid Kits.

With strict safety protocols and real-time monitoring, our transportation system offers parents complete peace of mind and students a reliable daily commute.

COMPUTER LAB

Our state-of-the-art Computer Lab provides students with hands-on experience and practical training in the latest technologies. Equipped with modern infrastructure and high-speed internet, the lab encourages creativity while helping students to develop essential digital skills.

Under the guidance of expert faculty, students learn to use technology responsibly and effectively to enhance their learning. Strong emphasis is placed on cybersecurity and safe digital practices, educating students about data privacy, secure online behaviour, and responsible use of digital resources.

PRE-PRIMARY PROGRAMME

We believe the earliest years shape a child's future. Our Pre-Primary Programme offers a joyful and nurturing start where learning begins with love, care, and curiosity.

Through an innovative, play-based curriculum, we focus on the holistic development of every child—nurturing cognitive, social, emotional, communication, ethical, and physical growth. Special emphasis is placed on developing fine and gross motor skills through kinesthetic and activity-based learning.

Children are cared for in a safe, warm, and emotionally secure environment where they feel valued and confident. Our vibrant "Fun Zone" allows little learners to explore, play, and learn happily, spreading joy while building strong learning foundation.

"TINY HANDS,
JOYFUL HEARTS,
HAPPY MOMENTS."

EXCURSION

INTER-HOUSE COMPETITION

CELEBRATION

CO-CURRICULAR LIFE

At Apollo International School, learning goes beyond the classroom. We offer a wide range of sports, music, and drama activities that help children discover their interests and talents.

Participation in these activities builds confidence, creativity, teamwork, and independent thinking. This helps children learn to express themselves and develop a strong sense of individuality.

Our extracurricular programmes support the all-round development of every child & helping them to grow into confident & well-balanced individuals.

“

Co-curricular
Activities teach
values & life
lessons that
textbooks can not
cover

”

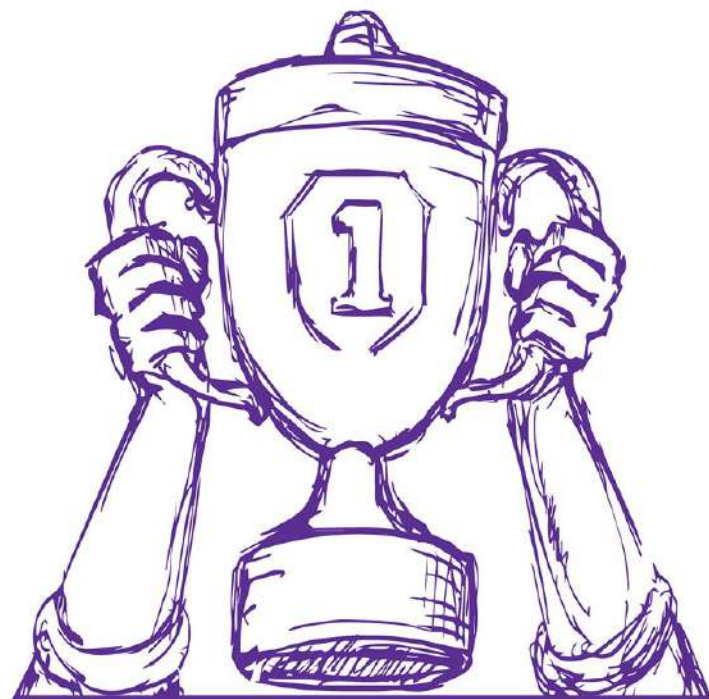

SPORTS FACILITIES

SPORTS & CO-CURRICULAR AWARD

“The Rhythm of the body, the melody of the mind and the harmony of the soul create the symphony of life.”

BKS Iyengar

At **Apollo International School**, sports are the heart of a balanced education. We encourage every child to stay active, participate confidently, and learn the true spirit of sportsmanship.

With expert coaching and structured training, students are inspired to pursue excellence while developing essential life skills such as teamwork, discipline, determination, and leadership. While not every child may compete at the national level, every child leaves the field stronger, more confident, and with a lifelong love for sports.

Apollo proudly celebrates its outstanding National, State, and District-level achievers across a wide range of sports, including Fencing, Cricket, Football, Skating, Archery, Yoga, Taekwondo, Skating, and many others.

Our commitment goes beyond achievements—we nurture young talent through dedicated coaching, structured training, and high-quality sports programs designed to inspire discipline, teamwork, and resilience. By investing in comprehensive sports development, Apollo continues to promote a healthy, active, and balanced lifestyle for all, empowering students to excel both on and off the field.
